

Retiree United Way Charitable Pledge Contribution Form

Dear Retiree or Surviving Spouse:

Chrysler has been a supporter of the United Way for many years. We are proud that our employees and retirees continue to give back to the communities they live, and realize that each contribution adds together to become a powerful force in United Way's mission.

United Way is focusing on new initiatives which are helping to identify the underlying causes of the most significant local social issues, develop strategies, and pull together financial and human resources to address critical issues based on local needs. The main focus is on education, income, and basic needs – the three things we all need for a good quality of life.

United Way's 2-1-1 program is an easy-to-remember number that helps people cut through what can be a confusing and overwhelming maze of information and resources. One call to 2-1-1 helps people assess their needs and links them directly to the resources that will help. Visit www.liveunited.org for more information on the work being done.

It's easy to get involved -- if you are interested in contributing simply:

- 1. Print this form, complete both sections, keep the top portion for your income tax records (See IRS Tax ruling below)***
- 2. Mail the bottom portion of form to the address below**

If you elect monthly deductions, we will begin deducting the amount you specify once per month from your pension check and we will forward your contribution to the United Way on your behalf.

Thank you for supporting the United Way.

United Way Campaign Team

*IRS regulation (IRS Notice 2006-110) requires proper documentation for each contribution to a charity made after Aug. 17, 2006. Prior law also called for "reliable" written proof. The difference now is that the IRS is being specific about the documents it requires. Proof of all donations is now needed for all contribution levels.

Employees who contribute through payroll deduction, and choose to claim a tax deduction, must have:

1. A pay stub, W2, or other employer document showing the total amount withheld for the charity,

AND

2. A copy of the pledge card or duplicate, or a letter from the organization in order to claim a tax deduction.

Note: Employee/retirees that contribute by check must have either a cancelled check or other bank record, or proper written acknowledgement from the charity.

If you are interested in contributing:

1. Print and complete both sections of this form, keep the top portion for your income tax record
2. Mail bottom portion to the address below

RETIREE'S COPY

NAME				
FIRST	MI	LAST
